**THE KIMBERLY HOTEL AS A ONE STOP DESTINATION FOR A NYC  
WEDDING**

*NYC Hotel Offers Personalized and Convenient Services for Soon-to-Be Newlyweds*

**New York, NY (September 2015)** - In the heart of picturesque New York City, the Kimberly Hotel is home to one of Manhattan's most elegant venues for weddings, offering couples the luxury of comfort, relaxation and convenience when planning their special day. The Kimberly Hotel is pleased to offer three unique venues for couples to not only host their special day, but rehearsal dinners and a next-day brunch as well.

Ibis, the Kimberly Hotel's newest dining and event venue offers three spaces; the semi private tasting room, the Mezzanine Lounge and the main dining room. Ideal for the couple looking for an intimate dining area, the semi private tasting room offers a glass-enclosed, quiet space for up to 20 guests. By entering through a separate street-front entrance, the Mezzanine Lounge can accommodate up to 80 guests for dinner or 150 guests for a cocktail reception. The lounge is complete with a fully stocked bar, and a semi-private VIP room. Guests are also able to host a seated dinner or cocktail reception in the dramatic Main Dining Room. The room can accommodate 125-150 seated guests or 300-325 guests for a large cocktail reception.

Similarly, Upstairs at the Kimberly, the rooftop bar and lounge space, makes the perfect backdrop to capture picture perfect moments. The rooftop lounge that boasts 360-degree views of New York City is the only rooftop lounge in Manhattan with retractable glass ceilings and walls, ambient heated floors, making the main room an elegant setting for events in both the summer and winter months. The Upstairs is the perfect location for a cocktail reception or

intimate buffet service as it can accommodate 40-150 guests. With the multitude of options at Ibis and Upstairs, the Kimberly Hotel is an ideal match for hosting rehearsal dinners, cocktail receptions and dinner receptions; it is luxurious yet convenient, making it the ultimate choice so that newlyweds can relax and enjoy their special day.

Additionally, the hotel is excited to offer guests the luxury of next-day brunch for the newlyweds and their bridal party from Bistango at the Kimberly, with both individually plated menu items as well as family style options including menu selections such as antipasti, salads, flatbreads, pasta, and sandwiches coupled with drink options such as a Mimosa, Bellini or Bloody Mary.

The Kimberly Hotel guarantees the ultimate experience during the planning and execution of weddings. With personalized service, the hotel accommodates each couple to make their special day unforgettable by providing experienced wedding coordinators who work seamlessly with florists, photographers as well as music vendors; making couples feel at ease during the planning process.

“We are thrilled to have beautiful spaces and an exceptional staff so that couples and newlyweds can create a lasting memory, says Mujo Perezic, General Manager of the Kimberly Hotel. “Getting married is a very special moment, and we strive to make the planning process and day-of event a truly unforgettable experience.”
